Meeting the Care Challenges of the 21st Century

Integrated Care and Support in the Community

Torfaen LHB consulted on the proposed model of care for North Torfaen from the end of 2007 to early 2008. This includes new community based and bed based care services, and work has gone forward to develop these models during 2008.

The different agencies and organisations involved will be present to provide an update on progress at an Open Day session arranged by Torfaen Local Health Board.

Date: **Tuesday 24th February 2009**

Venue: **Blaenavon Workman's Hall**

Time: **from 3pm to 8pm**

All are welcome to come and see the development plans and to speak to those who will be involved in **your** care and support.

Briefing notes with more details will be available after the 13th Feb from the following venues:

Blaenavon Health Care Unit
TVA Offices, Church View
Baker Street House sheltered housing complex
Blaenavon Communities First office
