1 km = 2/3 mile milltir

Pontypool's wealth was built on iron, coal and steel becoming famous in the C18th for Japanware. Today Pontypool is home to a flourishing market, distinctive architecture and a beautiful park.

Adeiladwyd cyfoeth Pont-y-pŵl ar haearn, glo a dur a daeth yn enwog yn y 18fed ganrif am Waith Japan. Heddiw, mae'n gartref i farchnad ffyniannus, pensaernïaeth nodedig a pharc godidog.
