

DAN CAN

the
super
recycler

ONE DAY DAN CAN WAS BUSY DOING HIS DAY JOB - REPORTING FOR THE TRASH TIMES ...

WHEN, USING HIS SUPER SENSES, HE SPOTS EVIL BATTERY ACID BOB LEAKING CHEMICALS INTO THE AFON LLWYD RIVER

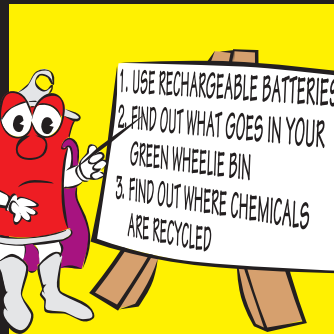

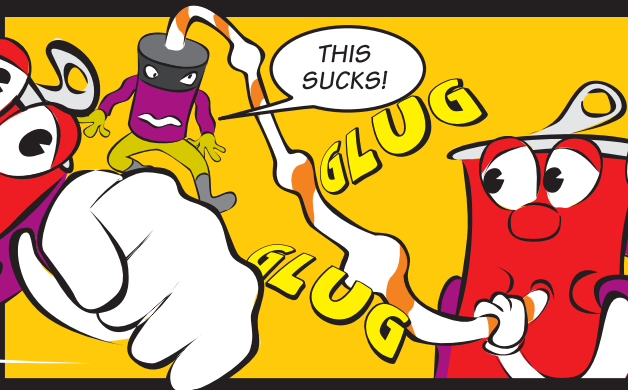

DAN DRAINS BOB'S POWER BY SUCKING IT AWAY, STOPPING HIM IN HIS TRACKS, HE THEN CLEANS UP THE RIVER ...

THIS MONTH DAN CAN WANTS YOU TO:

DAN QUICKLY TRANSFORMS HIMSELF INTO THE SUPER RECYCLER AND FLIES TO THE RESCUE ...

1. USE RECHARGEABLE BATTERIES
2. FIND OUT WHAT GOES IN YOUR GREEN WHEELIE BIN
3. FIND OUT WHERE CHEMICALS ARE RECYCLED

HAS DAN GOT THE BETTER OF BOB? MORE NEXT TIME!
