 FAILED WITH STATEMENTS – RESUBMISSION

ROUTE NUMBER	DESCRIPTION
TORFCR9	<p>This well-established, and popular scenic route forms part of NCN 49 between Pontypool and Cwmbran and provides links to Forge Hammer Industrial Estate and the major shopping and service facilities in Cwmbran town centre.</p> <p>Marginal improvements to surfacing and route width at localised sections are desirable to fully achieve the Welsh Government design guidance standards for Active Travel routes. Given its predominantly daytime use, comfort and attractiveness are not diminished and safety is not compromised.</p>
TORFCR10	<p>This well established and frequently used cross-border route forms part of NCN 49 between Cwmbran and Newport County Borough Council, facilitating commuter journeys to industrial estates, and access to leisure facilities and schools in the southern area of Cwmbran.</p> <p>Some existing access control measures require maintenance, and some nominal surface improvement works in some sections, and some marginal widening works in others are desirable to fully meet the Welsh Government guidance standards for Active Travel routes. Given its generally daytime use, by regular numbers of users, comfort and attractiveness are not diminished and safety is not compromised.</p>
