Notes for applicants

The licence application will be considered on the basis of the Torfaen County Borough Council model licensing conditions, and you must therefore refer to these when making your application.

Once we receive your application, we will arrange to inspect your premises with a vet, and will look at both the model licensing conditions and the welfare of animals at your establishment.

Your license will specify the number and type of animals that you are permitted to board, and any other licensing conditions required to ensure the welfare of animals kept at your boarding premises.

Should you not comply with the model licensing conditions, you could be refused a license, offered a provisional license whilst works are carried out or have any works required specified as part of your licence conditions.

Interim inspections may be carried out. Should you not comply with the model licensing conditions or the conditions of your licence, your licence could be revoked.

We have a legal obligation under the Data Protection Act 1998 to ensure that all information held and processed about you complies with the principals of the Act. You are advised that the information provided as part of this application may be shared with other departments of the authority and with other statutory organisations carrying out their statutory duties.
