

SERVICE PLAN – 2022/23 FINANCIAL YEAR

1. Service Area

NEIGHBOURHOOD SERVICES, PLANNING & PUBLIC PROTECTION

2. Responsible Chief Officer

RACHEL JOWITT, CHIEF OFFICER, NEIGHBOURHOODS, PLANNING & PUBLIC PROTECTION

3. Purpose of the Service Area

Together creating better communities

4. Long Term Vision / Ambition for the services provided and / or the residents who receive them

Our services touch residents, visitors and businesses on a daily basis. We have to be responsive to need through data and insight, be positive in our response through listening and empowering and we must work with residents to promote independence and well-being within our communities. We need to build trust and confidence through the delivery of high quality, customer focused services day in day out recognizing that it is when the basics are done brilliantly that further transformation in community action and reduced reliance on council services can be achieved.

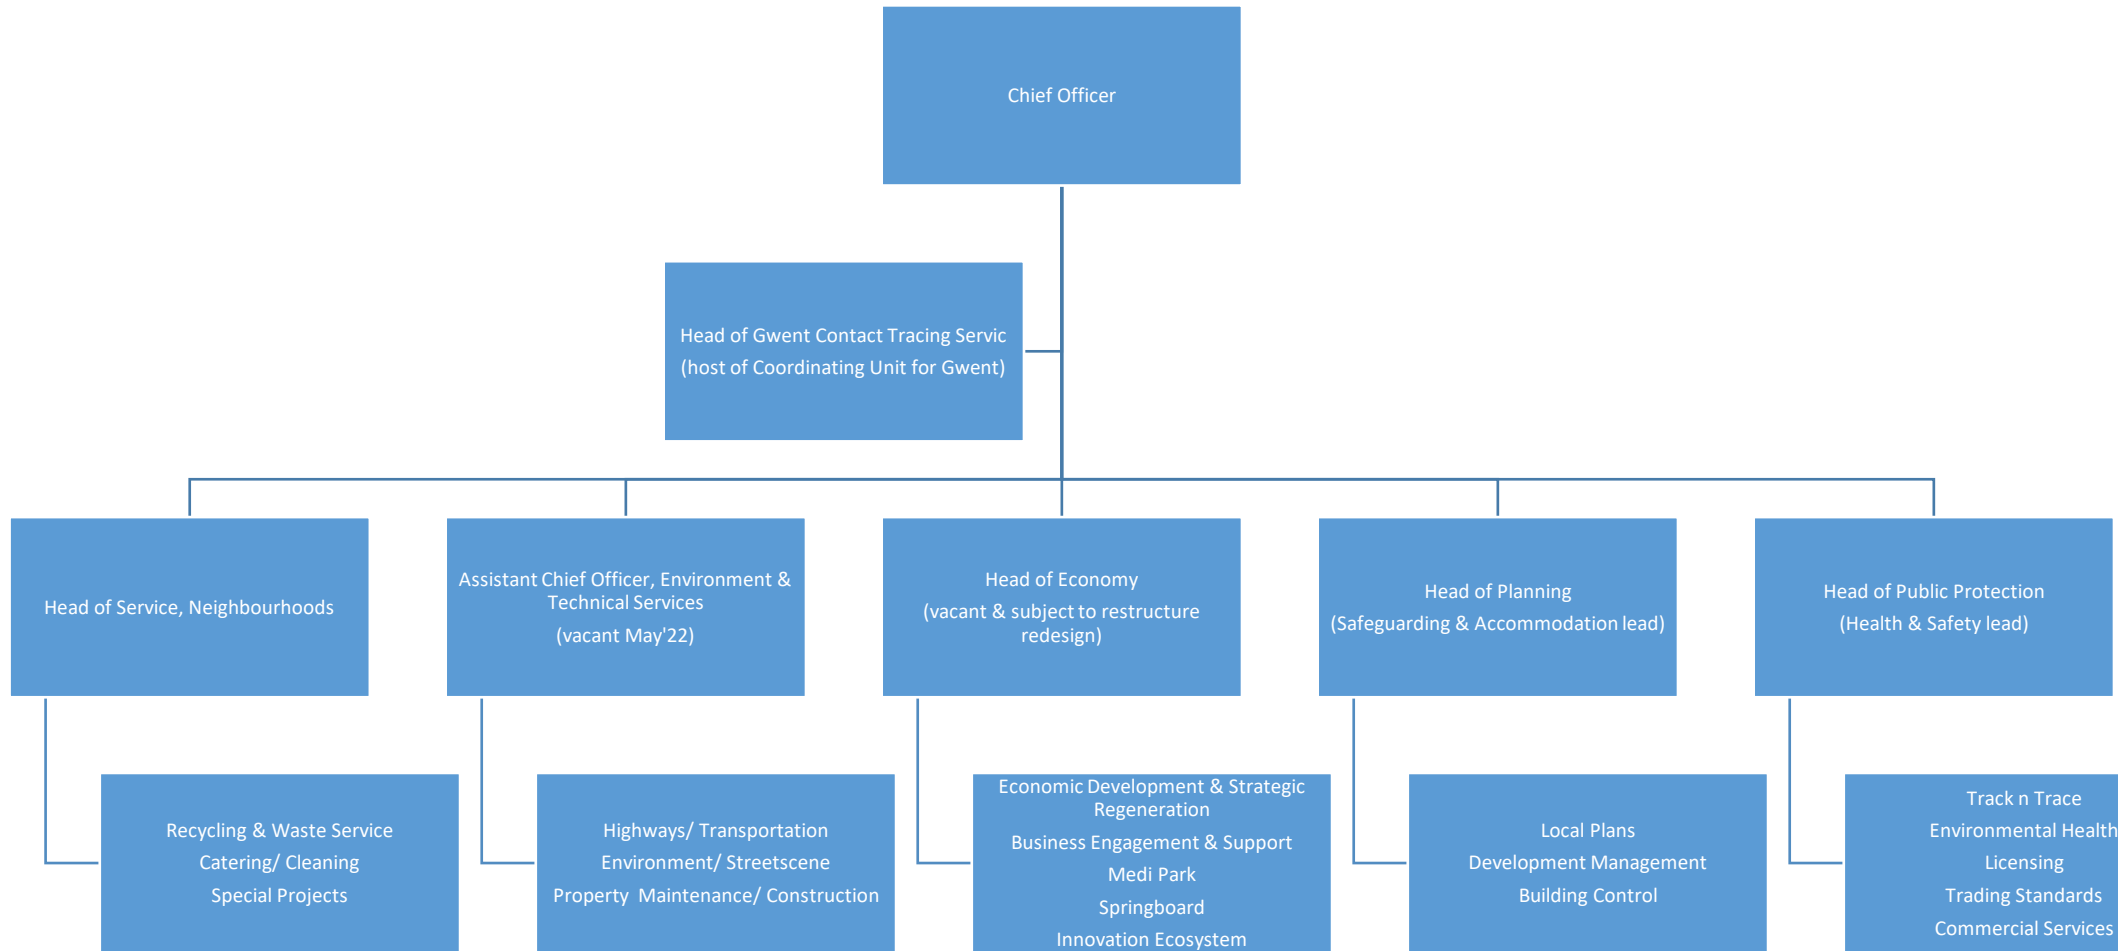

When we undertake our regulatory functions we will be professional, fair and supportive. Our sole intent is to make things better.

We want to create a better environment where people can enjoy their surroundings whilst also protecting our valuable asset for future generations.

We want to have a thriving business community spanning the whole spectrum of employment, from the 1 person small business to the global businesses who want to locate here. We want to facilitate and help create better economic, environmental and social outcomes as that will in turn deliver so many other positive outcomes such as improved health, education and overall wellbeing within our communities.

When our residents and customers receive our services we want them to appreciate the professionalism and quality in the service that was delivered. We want each interaction to be undertaken on the principles of pride, equality and respect so the recipients of those interactions will fully understand that we are working with and for the betterment of our communities.

5. Service Area Team Structure / Groupings

6. Challenges currently facing the Chief Officer / Service Area

	Challenges	Proposed Actions
Overarching statement ... Clean & Green		
1	<p>The Climate and Nature Emergency Action Plan needs to be translated to a costed business programme demonstrating the scale of the challenge ahead to advise long term policy and funding decisions.</p> <p>Climate and nature emergency (BERP) need to become embedded in core leadership, culture, project and service programmes</p>	<ul style="list-style-type: none"> • Commission specialist advice to work with the Council to review the impact of the Action Plan (and sub-plans) to see if we can determine the CO2 gap of impact of what we are proposing, where we need to be, what different action we need to take, delivery infrastructure required and to develop a robust programme and performance measures to show progress. • Maximise external funding opportunities • Train staff to understand how they can respond to the climate emergency • Ensure services embed the Action Plans into their own service plans and take forward projects in a timely manner and work within the Climate and Nature Emergency Officer Working group framework • Work with Cardiff/ Torfaen procurement service to understand the scale of opportunity and identify early actions for carbon reduction through procurement • Ensure alignment of the climate and nature emergencies and core policy framework (e.g. BERP, GI, Carbon Baseline) with evolving Council project management, change and strategy frameworks • Develop and mature the governance framework for this agenda including Cabinet Sub-Group and Officer Working Group
2	<p>Recycling and Waste</p> <p>a) Improving the customer satisfaction with household collections</p> <p>b) Achieving statutory performance targets for recycling</p> <p>c) Deliver the delayed project to replace vehicles, deliver a new recycling depot and modernize the customer experience through modernization and investment</p>	<p>A)</p> <ul style="list-style-type: none"> • Regular monitoring of service delivery to identify trend, patterns, areas for improvement • Review of policies confirm their suitability and train out to front line staff • Conduct Training Needs Analysis and confirm staff competency • Review Safe Work Practices and ensure that they're fit for purpose. • Review management structure and confirm fit for purpose in line with future projects • Investigate in cab technology <p>B & C)</p> <ul style="list-style-type: none"> • Project governance working effectively for to ensure timely data, due diligence and robust decision making • Options modelling undertaken for solutions to increase recycling rates • Action plan and business case for 70% to be endorsed politically by March 2023 • Business case developed for digital modernization of the service • Short term support from waste consultant • WRAP support and advice to assist through project life cycle • Recruitment of a Project Officer

6. Challenges currently facing the Chief Officer / Service Area

	Challenges	Proposed Actions
	in customer to cab digital transformation.	
3	Modernising the Street Scene Service	Implement the findings of the APSE Review – Phase 2 productivity and scheduling Review the 2018 Restructure (as recommended by APSE) to ensure effective fit for service delivery

Overarching statement ... Support & Governance

3	<p><i>Workforce Resilience</i></p> <ul style="list-style-type: none"> Staffing challenges are a consistent theme in team self-evaluations, including recruitment, retention, capacity, training and development and well-being. Addressing these issues while recognising the pandemic has seen a shift in workplace behaviours, attitudes and culture. Delivering services differently including different models for staffing structures. Dealing with long-term sickness absence has been a key issue for 2021-22 which impacts service delivery and increases pressures on other staff 	<ul style="list-style-type: none"> Work with HR on developing a model of service apprenticeships using Engineering as the pilot Work closely with HR on the development and implementation of the Corporate OD/ Workforce Strategy Staffing compliment/ capacity reviews to be undertaken in line with Project/ Performance & Risk Management reporting to ensure officers are given the right support and decisions to enable them to succeed Review to confirm staff welfare requirements and work with Ty Blaen Transition Team to deliver adequate facilities.
4	There are significant capital and also service change projects being undertaken in the	<ul style="list-style-type: none"> Implement new project management processes and procedures Review skills in project management and ensure appropriate training and support is provided

6. Challenges currently facing the Chief Officer / Service Area

	Challenges	Proposed Actions
	department e.g. Pontypool / New Inn Station (£7m), new recycling depot (£7m), introduction of Universal Free School Meals and roll out of 20MPH. We therefore need to improve on Project Management monitoring and reporting across the service ensuring the right decisions are taken at the right time/ right level	
5	Timely performance and risk management ensuring right decisions are taken at right time/ right level	<ul style="list-style-type: none"> • Introduction of balanced scorecard and risk management process to team level • Introduction of new approach to performance management culture within the department which is supportive, effective and fair. Focusing on service delivery, customer experience and ensuring officers are given the conditions in which they can succeed and identify key issues for addressing
6	Ensure an appropriate senior leadership structure within the department	<ul style="list-style-type: none"> • Review functions, roles and responsibilities in light of 2 HoS leaving • Consult on a new structure • Seek funding (if needed) to deliver • Recruit

Overarching statement ... Statutory non Corporate Plan front line services

7	Implementation of Universal Free School Meals with introduction of key stage 1 children in September 2022 and key stage 2 in September 2023	<ul style="list-style-type: none"> • Develop a cross-cutting project governance structure and implementation plan with support of all services
9	Take forward the master-planning of the Medi Park project and seeking partner support and buy in for way forward	<ul style="list-style-type: none"> • Confirm funding package for OBC • Award OBC development partners and complete OBC • Ensure Medi Park is fully aligned within the LDP • Continue to liaise with Cardiff Capital Region City Deal to ensure Medi Park remains a strategic project for future consideration and investment

6. Challenges currently facing the Chief Officer / Service Area

	Challenges	Proposed Actions
10	In light of restructure need to ensure delivery and integration of the Economy & Skills Strategy within the department	<ul style="list-style-type: none">• Inclusion of relevant E&S Strategy actions within CO and service plans.• Full participation in governance framework for E&S strategy
11	Delivery of the Local Development Plan (LDP)	<ul style="list-style-type: none">• Development of new Delivery Agreement (which sets out project plan/ agreed timescales with Council- WG) May '22 elections to take the LDP to deposit stage over 2022-23

	Average number of calendar days taken to repair street lamp failures during the year	4.65 days	4.35 days	6.12 days	4.35 days
	Percentage of principal A roads in overall poor condition - Annual Measure (PAM/020)	2.56%	2.00%	1.72%	2.00%
	Percentage of non-principal/classified B roads in overall poor condition - Annual Measure (PAM/021)	4.81%	6.00%	2.43%	6.00%
	Percentage of non-principal/classified C roads in overall poor condition - Annual Measure (PAM/022)	4.72%	6.00%	3.20%	6.00%
	Percentage of principal (A) roads, non-principal/classified (B) roads and non-principal/classified C roads that are in overall poor condition - Annual Measure	4.24%	6.00%	2.71%	6.00%
	Response measure to be developed over 2022-23 with introduction of Yotta system				
	Improvements made to active travel routes in metres	N/A	250M	495M	2,265M
Planning & Building Control					
	Percentage of all planning applications determined within time periods required (PAM/018)	82.86%	80.00%	86.99%	80%

7. Key performance indicators & targets					
	Performance measures	Actual at end of 2020-21	Target for 2021-22	Actual at Q.3 2021-22	Target for 2022-23
	Percentage of planning appeals dismissed (PAM/019)	78.95%	67.00%	-	67%
	Number of additional affordable housing units delivered per 10,000 households (Annual Measure) (PAM/036)	30.28%	33.00%	-	33%
	Produce the Local Development Plan (LDP) in accordance with Delivery Agreement approved by Welsh Government	In progress, behind schedule	In accordance with Delivery Agreement	In progress, behind schedule	In accordance with Delivery Agreement
Public Protection					
	Percentage of food establishments which are 'broadly compliant' with food hygiene standards (PAM/023)	93.68%	90.00%	-	90%
	Percentage of planned higher-risk (category A-C rated) food hygiene interventions achieved	N/A	100%	43.88%	100%
	Percentage of fly-tipped waste, containing evidence from where it originated, which led to formal enforcement action by Public Protection - Cumulative	72.73%	50.00%	45.00%	75%
	Percentage of Fly Tipping prosecutions publicised, subject to any restrictions that may apply	New measure for 22/23	New measure for 22/23	New measure for 22/23	100%
Recycling & Waste					
	Percentage of local authority collected municipal waste recycled and composted	64.67%	64.00%	62.77%	64.00%
	Kilograms of residual waste generated per person	182.28KG	200 KG	46.94KG	200 KG
	Number of Stage 1 complaints raised in the waste service - Cumulative	New Measure for 2020/21	0.00	29.00	0.00
	Tonnage of waste sent for disposal	15692.84te	16,800te	13,641.7te	16,800te

7. Key performance indicators & targets					
	Performance measures	Actual at end of 2020-21	Target for 2021-22	Actual at Q.3 2021-22	Target for 2022-23
	Percentage of residents participating in kerbside recycling	94.08%	96.00%	No Participation Exercises carried out	96.00%
	Percentage of residents participating in weekly food waste collections	65.38%	62.00%	No Participation Exercises carried out	62.00%
	Missed collections measure to be developed – should be linked to reported missed collections from the public not what the crews are reporting				
Cross Cutting					
	Percentage of actions within Climate Change Action Plan identified for completion in 2022-23 (Annual Measure)	New measure for 22/23	New measure for 22/23	New measure for 22/23	100%

8. Very High & High Risks for the Service Area

	Risk	Likelihood	Impact	Level	Treat or Tolerate
1	There is a risk to people, property and the environment from falling trees and falling tree limbs caused by Ash Die Back, a fungal disease affecting Ash trees (<i>Fraxinus Excelsior</i>)	3 Medium	4 Significant	High	Treat
2	There is a risk that the end of the Bus Emergency Scheme funding on 31st July 2022 will vastly reduce the availability of bus services within Torfaen. The reduction of bus services will impact mostly the elderly who use the services to make socially necessary journeys, commuters who have no other form of transport to travel to work and fare paying pupils attending their place of education/college.	5 High	3 Moderate	High	Tolerate
