Love Food Hate Waste

In Torfaen we throw away 2,800 tons of food every year. Make it your aim to reduce your food waste. Check out https://www.lovefoodhatewaste.com/ for some hints and tips and tasty recipes.

When you're food shopping, try and choose things that are light on packaging, or buy loose items.

And if you end up over-catering, don't just bin what's left. Transforming leftovers can be a great way to create new meals, save money and cut waste. Try the BBC Good Food leftovers recipes for ideas – or challenge your family to suggest recipes with whatever you've got in the fridge.

If you have too many leftovers, see what you can freeze. Or why not donate some to an elderly neighbour, local food bank or soup kitchen? Compost any other waste.

Caru Bwyd Casáu Gwastraff

Yn Nhorfaen rydym yn taflu 2,800 tunnell o fwyd bob blwyddyn. Gwnewch nod i leihau eich gwastraff bwyd. Ewch i https://www.lovefoodhatewaste.com/ i gael syniadau ac awgrymiadau a ryseitiau blasus.

Pan fyddwch yn siopa am fwyd, ceisiwch ddewis pethau heb ormod o ddeunydd pecynnu, neu prynwch eitemau rhydd.

Ac os byddwch yn arlwyo'n ormodol, peidiwch â thaflu'r hyn sydd ar ôl. Gall trawsnewid bwyd dros ben fod yn ffordd wych o greu prydau newydd, arbed amser a thorri i lawr ar wastraff. Ewch i wefan ryseitiau bwyd dros ben Good Food y BBC i gael syniadau – neu heriwch eich teulu i awgrymu prydau bwyd sy'n defnyddio'r hyn sydd yn yr oergell.

Os oes gennych ormod o fwyd dros ben, edrychwch i weld beth allwch ei rewi. Neu pam na roddwch beth ohono i gymydog oedrannus, banc bwyd lleol neu gegin gawl? Compostiwch unrhyw wastraff arall.
