

PUBLIC ACCESS TO TOILETS IN TORFAEN

Many people need to use a toilet when they are out and about and Torfaen County Borough Council currently provide a number of public toilet blocks across the Borough; there are also many businesses (such as shops, cafes, restaurants & pubs) providing facilities for their customers. Sometimes the need to use a toilet can be an emergency and not knowing where to access such facilities means some people stay at home or limit their activities. This can lead to social isolation and feelings of loneliness, especially in older people.

With public service budgets reducing, maintaining public toilets is always an area of concern and the Council is doing everything it can to work with partners and continue to provide these facilities. In addition the Council and some of our partners are very willing to let members of the public use the toilets in the following locations, which will help people to feel confident to go out and about, meet friends and participate in local life.

Look out for the symbol below on buildings in Torfaen and across Wales – it means you can pop in and use the toilets; you do not have to use the services on offer in these buildings but you may need to ask staff for access. Children will need to be accompanied by an adult in most places.

Lle bynnag y gwelwch yr arwydd hwn yng Nghymru, mae'n golygu bod croeso ichi ddefnyddio'r toiled

Wherever you see this sign in Wales, it means you are welcome to use the toilet

Listed below are toilets within Torfaen that proprietors have told us (TCBC) that they are happy for people to come in and use. The list also includes the toilets we provide.

Please note that there may be occasions due to environmental management when opening times are restricted.

We intend to add to this list as we identify additional businesses willing to allow people to use their toilet facilities, so please check back regularly. We will also update the list if we are informed of changes to opening times or the permanent closure of any premises.
